COVID-19 vaccinations coming to 108 Publix pharmacies in Georgia

LAKELAND, Fla., Jan. 14, 2021 — Publix will distribute COVID-19 vaccinations at 108 Publix pharmacies across the state of Georgia thanks to a collaboration with the State of Georgia and Governor Brian Kemp. Vaccinations are provided by appointment only and are for first responders, health care workers, individuals ages 65 and older and their caregivers, and residents and staff of long-term care facilities. Eligible individuals can make appointments beginning Friday, Jan. 15, using the online reservation system at publix.com/covidvaccine, with vaccinations starting Saturday, Jan. 16.

“At Publix, we know how important it is to be there, especially in times of need,” said Publix CEO Todd Jones. “We are grateful for the opportunity to provide this critical service to the Georgia community.”

Vaccinations are provided to eligible individuals, by appointment only, while supplies last, and at no cost to the individual. Customers with health insurance will need to bring their insurance card to their scheduled appointment. Medicare members should bring their red, white and blue Medicare Part B card. Customers without health insurance will need to provide their driver’s license or Social Security number.

Publix Pharmacy will administer the vaccine at the following locations:
